

Dryden Community Center Café Volunteer Form

Proposed Café Hours: **Thursday – Saturday 8am to 9pm**
Sunday – 10am to 3pm

The following are the proposed Volunteer Shifts for the Café. Volunteers will work behind the counter serving simple sandwiches, soups, ice cream, and baked goods. Light cleaning will also be involved.

Any one interested in learning how to make specialty coffee drinks is welcome to attend training sessions, however there will be a trained barista working at all times.

Please circle shifts you would be available to volunteer for the Cafe. Schedules will be planned monthly so that volunteers may change their commitment to meet their needs.

Thank you in advance for volunteering...this will be a wonderful and fun place to be!

Volunteer Bakers

Part of the fun of having the café will be coming up with new and interesting products to offer our friends and neighbors. On Monday through Wednesday our kitchen will be ready for people to test out recipes and bake goods for us to serve the rest of the week.

Have a recipe that has always been a favorite of your family or one passed down through the generations? We would love to have you share it and we could even give it your name! All recipes will be tested and approved by our volunteers so that they are easy to create and enjoyable to all. Specific hours to be determined! **Please circle available times.**
